We meet each Sunday at 10:30 am both in-person and via Zoom. We remind ourselves that the three key tasks of this religious community are:

- **sense-making**, helping each other to find the truths in our lives and in the world;
- **care-giving**, helping each other through the hard times and celebrating the good times;
- **justice-seeking**, trying to leave this community and the world a better place for us having been here.

We invite all who search for truth and meaning with open hearts and open minds to join us in worship, in mutual support, and in shared ministry to each other and to the world.

Whatever the faiths you have known, or the flags of your heritage — You are welcome here. Whoever you are, and whomever you love — You are welcome here. And — whether you ran in here today on little feet, Or walked in briskly, Or ambled in, Or rolled in, You are welcome here!

HUU livestreams our services to facilitate an inclusive online and in-person worship experience. Using microphones and cameras, we project in-person and Zoom participants, speakers, and guests on televisions and online throughout the service. Parents should notify Kim Newton, the Technology Coordinator, of any media permission restrictions for children attending in person.
