One Journey, Many Paths

4101 Rawley Pike, Rockingham, VA 22801

What is my inner voice want to say about Joy?

1. What were you first taught about “deserving joy”?
2. Have I experienced Joy emerging from sorrow or pain in myself or others?
3. Do I believe it is possible to experience joy in the times we live in? Why or why not?
4. Are you mostly a creator of joy, receiver of joy, notice-er of joy or spreader of joy?
5. What is one of your favorite/best moments of bringing joy to someone else?
6. Have you been hesitant or scared to ask for the thing you know will bring you joy?
7. Has joy ever asked something big of you? Might it be asking that now?
8. Has choosing joy ever been an act of survival for you? Or an act of defiance?

HUU livestreams our services to facilitate an inclusive online and in-person worship experience. Using microphones and cameras, we project in-person and Zoom participants, speakers, and guests on televisions and online throughout the service. Parents should notify Kim Newton, the Technology Coordinator, of any media permission restrictions for children attending in person.
