Our Mission Statement

Our purpose is to support each other in our various inward journeys toward truth. We endeavor to do this in an atmosphere of mutual acceptance, openness, and friendship. Committed social action on behalf of the local and global communities will be a natural expression of this purpose.

We meet each Sunday at 10:30 am both in-person and via Zoom. We remind ourselves that the three key tasks of this religious community are:

- **sense-making**, helping each other to find the truths in our lives and in the world;
- **care-giving**, helping each other through the hard times and celebrating the good times;
- **justice-seeking**, trying to leave this community and the world a better place for us having been here.

We invite all who search for truth and meaning with open hearts and open minds to join us in worship, in mutual support, and in shared ministry to each other and to the world.

Whatever the faiths you have known, or the flags of your heritage — You are welcome here. Whoever you are, and whomever you love — You are welcome here. And — whether you ran in here today on little feet, Or walked in briskly, Or ambled in, Or rolled in, You are welcome here!

HUU Circle Dinners

We need homes to host 4-6 others for a potluck style dinner. The host will choose the main entree but everyone contributes.

I will have sign ups in a couple weeks and then divide people up between hosts.

For now, please let me know if you're able to host one of these dinners

Email Paula (dcre@huuweb.org) if you have questions or want to sign up.
